Miscellaneous Course Info	<p>GCSC supplies 3M 8210 N-95 Filtering Facepiece (Dust Mask) respirators for fit testing. If your company uses a different type, the employee can bring one with them for fit testing, or you can contact our Occupational Health Services and let them know what manufacturer and model you need and they can order it. Please keep in mind that it may take several weeks to get delivery of some types.</p> <p>OSHA CFR1910.134 requires a fit test prior to initial use of a respirator, whenever a different respirator face piece is used, and at least annually thereafter. An additional fit test is required whenever employer or PLHCP observes changes in employee’s physical condition that could affect respirator fit.</p> <p>An OSHA required questionnaire needs to be completed and reviewed by a doctor stating that a person can wear a respirator. GCSC offers a computer-based questionnaire and clearance on site. The code for this is 08RSPCLR. The employee must have this paperwork with them or be scheduled for 08RSPCLR.</p> <p>If scheduling 08RSPCLR, please note medical clearance results may take up to 24 hours.</p>
