

GCSC Safety Connection

Providing Training Solutions to Industry

NOVEMBER 2022

Our 2022 GCSC "Swingin' For Safety" Golf Tournament was a great success! Thank you to all of the participating teams, sponsors, and Cypress Lakes Country Club for hosting. Congratulations to all of our winners!

All proceeds from this year's tournament, over \$20,000, were donated to Blakely Estevez, 1, of Norco who was diagnosed in January 2022 with a Wilms tumor on her left kidney, also known as a Nephroblastoma, in addition to a small lesion on her right kidney. Blakely began 6 weeks of chemotherapy to shrink the mass on the left kidney and hopefully get rid of the one on the right. On March 25th Blakely had surgery to remove the left kidney completely. A 1cm portion of the right kidney was also removed. Blakely went into remission in September of 2022.

"Success in this game depends less on strength of body than strength of mind and character."

- Arnold Palmer
