Course Name	Course Code	Passing Score	Course Length	Expiration Date	Pricing
ATSSA Flagger Training	08ATSSA	70%	5 hrs.	4 years	\$75 Member \$85 Non-member

Course Description

This course is a comprehensive, national certification program that trains personnel in proper, safe, and effective traffic control techniques. Following the [Manual of Uniform Traffic Control Devices \(MUTCD\) guidelines](#), it covers flagging procedures, equipment, and hazard recognition for construction, maintenance, and utility work zones. During this course you will learn how to be a safe, effective flagger by:

- Understanding why proper flagger operations are important
- Learning the standard skill set of a good flagger
- Applying standard flagger control references
- Identifying proper flagging signals and procedures
- Learning standard flagger practices for various situations

Includes \$25 Flagger Handbook & Flagger Workbook
