## **Did You Know...**

- **SAFETY starts with a passion for life and a personal desire to sustain the health and safety of ourselves and others. This passion should guide and fuel our actions!**
- Believe and put your heart into:
  - We'll do it safely or we won't do it" - NO EXCEPTIONS.
  - Strict adherence to our safety standards and policies as a basic requirement of employment - NO EXCEPTIONS.
  - Intervene when necessary, and welcome intervention from others. Compliment and reinforce safe behaviors, coach and correct unsafe ones - NO EXCEPTIONS.
  - Active and meaningful participation in site safety programs. The value is in honest, active participation, not in the tools themselves – NO EXCEPTIONS.

**THOUGHT FOR THE DAY:**  
**Protect People First – NO EXCEPTIONS!**
