“Back to School Reminder”

Safety Tips for Drivers:

- ❖ Pay particular attention where school busses are loading or unloading.
- ❖ Always obey speed limits, especially in school zones.
- ❖ Children often seem to dart out of nowhere so be ready to stop quickly around playgrounds and schools.
- ❖ Look for and obey all traffic guards, lights and school zone signs.
- ❖ Exercise good judgment, especially in bad weather.

Safety Tips for Students:

- ❖ Always look both ways before crossing the street.
- ❖ Beware of strangers. Never go anyplace with any person you do not know well.
- ❖ Cross at designated school crossings only.
- ❖ Exercise caution when riding your bike and always walk it across the street.
- ❖ Follow the instructions of the school's safety patrol.

RESPECT for each other will go a long and safe way!
